

Choice[®] MicroFiber Mop

White Microfibre String Mop

Macrofibres are tiny fibres that have been split to produce ultra-fine fibres estimated to be at least one-sixteenth the size of a human hair. When woven together these fibres create a surface area covered with millions of spaces between the fibres to trap moisture, dirt and debris. This technology allows for the dirt and liquids to be “picked up” rather than being pushed around.

Composition and Attributes

- White 88% polyester/12% nylon microfibre string mop with blue headband and tailband
- Microfibre yarns attract and trap dirt and debris
- Terry knit structure enhances absorbency to increase efficiency
- Tubular knit construction with sewn head and tail bands provides added durability
- Lot number assures traceability
- Chemical resistant and non-abrasive
- Autoclavable
- Can be laundered and re-used

Applications

- Floor cleaning in critical environments
- Application of disinfectants
- Spill pick-up
- Works with most standard loop mop frames and bucket/wringer systems

Laundry Instructions

- Machine wash in warm soapy water. Do not exceed 150°F/65°C.
- Tumble dry low. Do not exceed 140°F/60°C.
- Do not use fabric softeners
- Up to 10% bleach solution can be used without harming the fabric. Bleach may cause color to fade.
